

**Our Stewards are here to help you and answer any questions you may have: we hope you feel welcomed and at home as you enjoy your beer!**

For Security, the only access on or off the site is the one in St Andrew Street leading to the Main Porch

**The Beer Tent is behind the Church, and Food is in the St Andrew's Centre**

Ciders and Wines are at the front of the church, and there will be occasional music and activities in the Performance Tent at the front.

**There are two WCs and Urinals at the Front of the Church, and two WCs in the St Andrew's Centre**

**Churchyard:** you will see that certain areas have been cordoned off, and we would be grateful if you could respect this and the monuments to past generations.

**Children:** we want this to be a family-friendly event, but we have no idea how many children will come, or at what times! In the St Andrew's Centre from 12 Noon to 3pm there will be activities for children over 4 years old. Stewards in hi-viz jackets have a special responsibility for children, and they will be supervising the play equipment and craft activities, but ***your children are your responsibility at all times.***

**Teenagers:** The church teenagers are running the Non-alcoholic Cocktail Bar from 12 Noon to 3pm, and there will be puppet shows in the Performance Tent during that time.

**Smoking:** the whole site is a No Smoking area, and if you wish to smoke we ask that you leave the site. The Stewards on the gate will re-admit you!

**Temporary Event Notice:** under the terms of the permission from East Herts we have to ensure that we do not have too many people on site. For this reason we give you a wristband, and ask that you allow us to cut it off and retain it when you leave.

**Bar Rules:** Alex Wilsdon is in charge of the Bar Tent, and has a BIAAB in cask and keg cellar management, as well as being trained by Cask Marque. The Team cannot serve any people under 18, so please support Alex and provide ID if asked.

**Conversations:** if anything has intrigued you about your visit today, then why not join a *Searching for Faith* course? The next one starts Tuesday 27 September, every Tuesday evening for six weeks in the Rectory: call Alan on 582726 for more details.

### The Mad Squirrel's European IPA ABV: 5.2%

Deep amber in colour this IPA is exclusively made with European hops which create a diverse aroma of maple syrup, marmalade and grapes. The flavour profile is a marriage of hedgerow fruits and marmalade.

### Mister Squirrel, An Award Winning Best-Seller ABV: 4.0%

A traditional Premium English Bitter with pleasantly presented copper hue with a flavour spectrum of plum, toffee and mixed dried fruit.

### Red Squirrel Raspberry Pale Ale ABV: 4.5%

This refreshing summer beer is late hopped for low bitterness, and unfinned to maximise flavour and retain its deep reddish hue. It's prime time for raspberry picking, but if foraging isn't your thing, why not kick back with our fruit bomb, Raspberry! Made with real fruit and packed with fruity hops, this is a beer you could mistake for one of your 5-a-day.

**Red Squirrel:** We at St Andrew's are very grateful to Red Squirrel for all their help and advice. Based in Hertfordshire, they are now producing a wide range of permanent, and experimental seasonal cask and craft keg ales. Their beers win prizes, and in May 2016 the brewery released two new beers, one of which (the European IPA in the Mad Squirrel range, made with five different hops) is featured in our Festival. We could not have done this without them!

## What Would Jesus Brew?

You may have seen **Emmanuel's Brewery** on BBC Songs of Praise. Started in 2014 by Nick Law, a brewing, balding, worshipping, modern monk, it is now part of The Sheffield Brewery Company. Nick says: "Our aim is to spread the good news one beer at a time; but we're not out to force religion down people's throats – just beer! Quite simply, like Christian artists, poets, songwriters, authors, and craftsmen throughout history whose works adorn chapels and cathedrals, music halls and record collections, libraries and book shelves, and buildings or landscapes across this earth, we want to make the best beer around to the glory of God." We have four examples of their beer, which we hope are better than their Biblical puns!
