

The animals that got us through Lockdown – a free exhibition at St Mary's Hertingfordbury.

Saturday 9th to Sunday 17th October 2021.

Instructions for contributors

Thank you for your interest in submitting a picture for the exhibition!

Animals have played such an important part in our wellbeing over lockdown that we want to celebrate their contribution.

We welcome photographs and pictures (paintings/sketches/collages) of pets or any other animals that helped you get through Lockdown – whether it is your pet cat or dog, a visiting robin, or even the kitchen spider!

We welcome contributions from all ages!

Photographs and pictures should be at least A5 size and mounted so that they can be easily displayed.

They should be accompanied by a label with the title and the name of the photographer/artist.

Please also write your contact details on the back, or parents'/school contact details in the case of children.

They can be delivered to 5 Liberty Close, Hertford SG13 8JY at any time before the exhibition, or to St Mary's Church on a Sunday (there will be a box available at the back of the church) or on Friday 8th October.

Disclaimer

Photographs or paintings must have been taken or created by yourself or by a member of your family or friends who has given their consent to their work being submitted. Photographs or paintings should have been taken or created within your own community.

Photographs or paintings can only be received on condition that neither the St Mary's Church or its Officers shall be liable for any loss or damage to the photographs or paintings however caused which might occur whilst they are in the Church or on transit to the Church.
