

Streets of Light 2026

Monday 26th October – Sunday 1st November

Thank you so much for signing up to be part of Streets of Light 2026!

To get involved all you need to do is to decorate one (or more!) windows of your house, flat or workplace, and then leave the lights on from 5.30 to 9.00pm, so people can see your fantastic displays. Your design can be anything you like, but please include one or more of the words LIGHT, LOVE or HOPE somewhere in it.

Please make sure your form reaches us before 18th October to be included on the Streets of Light maps.

Then, from Friday 23rd October, check back on our website to find the interactive online maps showing the streets and places where you can walk, run, cycle or drive and spot the different houses of light.

GDPR – your address will be used by the Streets of Light team to create the trail maps but will not be shared with anyone else. Your details will not be shared with anyone else. Any questions to streetsoflight@outlook.com / 01992 582951

STREETS OF LIGHT 2026

Your name _____

Full address* _____

Post code _____

**This won't be made public, but will help us put the maps and trails together. Please note that the interactive map will show the centre of your post code area, not your exact building.*

If this address is not your home, please let us know what it is (company, school etc).

**Please return this form to the box labelled 'Streets of Light'
at the back of St Andrew's Church or email it to:**

helen.ward@hertfordbaptist.org.uk
