God of Love

Thank you, Lord, that you care about every detail of our lives. We praise you for your unfailing love and pray that we as forgiven people we would allow your light to shine into every area of our lives.

Lord In Your Mercy..

Lord, we thank you for St Andrew's and all those who lead and serve faithfully each week. Please prompt us to use our gifts to serve where there is need. Help us all to be attentive to each other's needs and be a listening ear when one is needed. We pray for Sele Farm Church meeting today and for Melanie Seward who will be leading the service. Please bless TMM Youth Group meeting tonight.

Lord In Your Mercy..

God of Justice

Lord, we pray for our Nation. Give those in positions of leadership your wisdom and discernment to make good decisions. For those living with uncertainty and fear at this time please bring them peace. Lord, for all those living in poverty and despair in our country, we pray for the right help and support to be available. For young people trying to find work, provide opportunities and hope and do not allow them to become disillusioned.

Lord, we pray for those in desperate need around the world, particularly thinking this week about those affected by wildfires in California.

Lord In Your Mercy..

Thank you, Lord, for all our family and friends and for all those people in our lives who love, support and encourage us. Prompt us to reach out when those close to us are in need and give us the words to say and wisdom to provide practical help where needed. For all our friends and family who don't know you, please soften their hearts to you and give them opportunity to hear your gospel truth.
