Worship software trial in July

On each Sunday in July, we will be displaying the entire service on the screens. You'll be used to this at the All-Age Service, but for other Sundays, this is new.

You may notice slight changes from week to week as we experiment with different functions. At the end of July, we will be asking you for your views on what worked well, what didn't, and whether we should continue this style of worship in future.

For those who prefer to use books, there will always be hymn books and service books available.

Why are we doing this?

We want to make the best use of the audio-visual equipment that we worked so hard to install. If we decide to use the worship software permanently, it will save a substantial amount of time for very little cost.

Adrian Walter, Lay Leader of Worship

THANK YOU to everyone who contributed to our recent Hertford St Andrew School appeal! Thanks to your donations, 28 members of staff (teachers, support staff, caterers and cleaners) each received a goodie bag filled with treats - face packs, hand cream, pens, hot chocolate sachets and chocolate (Fairtrade), plus a gift card and a handwritten note from Alan.

The staff were absolutely delighted and described the bags as: *Thoughtful, special, unexpected and generous.*
